

1. Audit Committee

We find that the records of the district treasurer were audited by Weston's Tax & Accounting Services. The district NMI records were audited by Brenda Egbert accountant, and NYI records were audited by Tracy Peak. The district NDI records were audited by Jacque Sappington, Accountant.

Since these auditors have used generally accepted auditing standards, we feel the aforementioned books are in proper order. We commend the various treasurers for their excellent ministry to the Body of Christ and the Joplin District Church of the Nazarene.

Respectfully submitted,

Hershell Letsinger, Secretary
