First of all, thank you so much for your continued interest in the Teen Bible Quiz blog as well as your **undoubtedly valuable involvement** in the ministry of Teen Bible Quizzing in your local community.

As you are likely gearing up for the upcoming season of Luke, I want to share with you a resource I have been using on my local District to prepare teens (and adults!) who will be participating in Teen Bible Quizzing for the first time. Essentially, it is an **Introduction to Bible Quizzing Workshop** in book form.

Designed to **help new quizzers quickly get up to speed** before the season begins, this **Quizzing Basics and Study Guide for Luke** covers:

- The history and value of Bible Quizzing
- What it takes to be a Bible Quizzer
- The basics of the competition:
 - Typical season schedule
 - What to expect at a Quiz Meet

- The basics of the game:
 - Captains and Co-Captain responsibilities
 - Types of questions
 - Keeping score
 - Basic rules (fouls, appeals, how to jump...)

- How to study:
 - When to jump
 - Key words
 - Examples of various ways to learn the material
 - Daily Study tracking sheet

- Memory Verses
 - Memory verse tracking sheet
 - List of memory verses in Verse and Alphabetical order

- Glossary of common terms

If you have any **teens or adults who are new to Bible Quizzing**, you could have them read this short book (only 54 pages!) a few weeks before your first quiz practice to **build excitement** and **minimize their adjustment time** to teen quizzing. Then, they can use the book all season long to **keep track of their study time and memory verses** they have learned.

Also, all proceeds from this book will help support the Louisiana District Bible Quizzing program.

If you are interested, you can purchase the book directly from Amazon using the **Get from Amazon** button above (or search Amazon for the book to use Amazon Prime for shipping).

Again, thank you for your interest in Teen Bible Quizzing. May God bless you and your teens as you **develop a love and respect for the Bible**.
